Dear Mr. Cole,

I want to thank you for your kind letter and invitation to visit T&S Brass and Bronze Works. Companies like yours are vital to the success of our state's rapidly growing manufacturing industry, and your selection as a finalist in the 2014 IndustryWeek Best Plants competition is further testament to the awesome work we're doing in South Carolina. I look forward to meeting the T&S Brass and Bronze team at your facility in the future! God bless.

My very best,
