**South Carolina State Parks**

at 15:30:39 on 8/01/2012 UTC · 🌐

Calling all elementary and middle school teachers! South Carolina State Parks has curriculum-based history and science field studies available at State Parks from the mountains to the sea! These “Discover Carolina” programs are hands-on and just plain fun outdoor learning. Want to know more?

Visit the Discover Carolina website to find out which state parks offer these programs and how to register starting TODAY! [www.DiscoverCarolina.com](http://www.DiscoverCarolina.com)

**Bonnie Wright** Wonderful science based Discover Carolina programs for 3rd, 5th, & 7th grade Beaufort County students at Hunting Island State Park.

**Becky Matthews** I LOVED this course. I took it over 8 years ago, and I am still using the resource. I also find myself educating all my friends on the best SC state park for their adventures. :0)
