K. Not really. McCormick met ACT's goals too. Two rural counties and Allendale's at 80%.

Don't suppose you want to be on a 9:30 call tomorrow with ACT?

August, although I don't have specific dates yet. July is just about 100% closed-out already. Are there certain parameters? Specific days of the week, etc.?

Just trying to find out when we can possibly think about doing a big to-do in Clarendon for them meeting their goals. What would be better, July or August?
