Coretta,

I will call you Friday morning.

Tony

Tony,  
Sorry I missed your call on Wednesday afternoon; I had just left the office. As promised in my voice mail, here is my schedule for the next couple of days. I will be in today until 11:30 and then have meetings most of the rest of the day. I will be in on Friday until noon and then Monday all day.

Thanks,  
Coretta
