Thanks so much, Coretta! We look forward to meeting Mr. Morris and sharing information about the SC Institute of Medicine and Public Health's Long-Term Care Taskforce and subsequent implementation activities. As an essential resource to older adults and caregivers across our state, the LGOA has certainly been a critical partner in these efforts. We have appreciated the opportunity to work with Mark Plowden, Jason Brown and many other staff at the LGOA throughout our LTC efforts and look forward to building on that momentum with Mr. Morris's leadership of the LGOA.

Nate, Sam and I will follow up after the upcoming holiday weekend.

Best regards,
Eleanor

Steve,

Thanks for meeting with Teresa Arnold and me yesterday. It was a most productive discussion. I meant to mention to you that you will be hearing from Nate Patterson and/or Sam Waldrep from the Institute of Medicine and Public Health. They want to chat with you in more detail about the Long Term Care Task Force report that we briefly discussed yesterday. Please allow this email to serve as a virtual introduction to Nate, Sam and Eleanor, the IMPH team members who are coordinating efforts on implementation of the task force report.

See you soon.
