**What inspires us to get off the beaten path? ...**  
**Why do we choose the road less traveled? ...**

To discover something new.  
To remember the past.  
To find ourselves.

To be inspired.  
To reconnect.

To get away.  
To come home.  
To move onward, upward.

To feel small, feel big, feel ALIVE.

To feed our curiosity. be invigorated, experience the unfamiliar.

To unearth something new.... And *make a little history along the way.*

**To lose ourselves and to DISCOVER what it is we've been searching for.**
