Hey Ted, It looks like a Haley/McMasters ticket in the fall. Henry has the Mid State and the Pee Dee covered. His wife is from Florence. I am very excited for your team since you guys are so strong on the coast. So good news from PP. We will end the second year of our 3 year business plan with more than half of our 3 year goals met. Leading the pack is our goal of increasing attendance by 40 thousand visitors a year. We accomplished that this year. That is an increase of \$1,000,000 a year in revenue on attendance alone. Our staff is so energized, it is exciting to attend a board meeting. The improvements coming in 2014/15 are going to be astounding. We are, in my estimation, 3 years from having a state of the art museum attraction with a top notch learning outreach program and a complete development plan for our unleased property that has been fallow for 30 plus years. I would ask if we could impose on the Governor to attend the opening of our new Viet Nam Exhibit in October. I have been honored to have her trust, confidence and support over the past 3 and a half years. Have a great weekend Ray
