

Dear Governor Nikki Haley,

Hello, my name is John Thomas, and I live in Palm City, Florida. You are the best fitted to lead our country, and I truly wish you were in the race for 45th President right now. I envision you leading our country one day and I know a leader when I see one.

I purchased these photos online and we paid a lot of money to send these to your office. I called your Governor's office and they advised me to include a self-addressed stamped envelope in order for you to autograph our photos. This is a great honor to write to you and I send you my best wishes!

I also have a unique collection of autographed business cards. I have Senator Rubio's, Jeb Bush, Rudy Giuliani, and John McCain's to name a few. I would love to add a signed business card of yours to my own collection. I think it would be pretty cool to frame your signed photo with your business card. One day when you're President, everyone will be jealous! Best wishes to you and God bless you!
