I just copied you as it was addressed to you. You shouldn't have to do anything else with it. I will carry over boxes for Haley and leave them with Sheila.

Thanks! Since I am learning the system still, when you send to DSS does someone else check on or get copied? Or am I that person with this email. J

Also, Haley Mottel in our office is ready for boxes. She is going to box up the Order of the Palmetto and other award recipients. She needs about 10 boxes. I remember you had some. I can come over with Haley to get them if that is easiest?

Richele,

FYI. We added an earlier copy to IQ and sent to DSS for response.
