**Subject:** Fwd: Stirred Up song video

---

Hey Katherine. I hope all is well.

I've been asked to send this to you guys in hopes hat the Governor will watch it.

This song was written by a past worship leader at Senator Scott's church (Seacoast) and performed by him and other various musicians throughout the Lowcountry in response to the mother Emmanuel shooting.

Can you please pass this along to her?

Thanks as always.

Sincerely,

Joe
