I'll probably see you after the 8:30...tomorrow morning's a little fluid right now, thanks to DoA.

If you want to check out the announcement, just slip out beyond the velvet rope and around the curtains a little before she heads out there. I'm not sure what the announcement is – I don't usually track those very closely...the press folks manage those (feel free to ask Rob/Doug/Jeff about it).

Tonight went about as well as expected – I have a few more hours of reading, drafting, etc. still. It'll be a pretty late night to get those materials in place...

Christian,

I am planning on attending the House EdPW K-12 Subcommittee meeting in the morning at 8:30. I wasn't sure if I would see you before, but I'll be back right after. Let me know if you need me sooner. Should I attend the economic announcement at 9:30? I'm not sure of the general practice for attending these types of announcements. Please let me know.

How was the Finance Committee meeting and Administration reception? I hope both went well. I look forward to hearing about it.

Have a good night.  
Rachel
