\* Audited by external CPA Firm.

Remaining accounts not audited separately, but all of these cash accounts are reported to Comptroller General in closing packages for annual audit of state CAFR.

State Auditor's office looks at cash accounts in some cases when doing agreed upon procedures. He has verbally agreed with staff at STO to make sure these cash accounts are included when the SAO goes out to do agreed upon procedures in the future. STO office to follow up in writing on this with SAO.
