To: Office of Director.

From: Office of Executor - LARRY ANDREA HILL, Estate.

Regarding: Unauthorized administration of LARRY ANDREA HILL, Estate;  
[Court of Common Pleas 3<sup>rd</sup> Judicial Circuit Docket Numbers; 2008-CP-43-2752]

I accept all oaths of offices from all employees of government agencies of which I communicate with.

Enclosed you will find "abandoned" paperwork, LIS PENDENS, FORECLOSURE SUMMONS AND COMPLAINT, which appears to erroneously "allege" that J. Scott Walls, Attorney At Law, BAR # 15982, by unwarranted acts, fraudulently claim authority from this Executor Office to administrate for LARRY ANDREA HILL, Estate. That false claim is hereby Adjourned.

Please provide his judicial authority to act in a judicial capacity to issue judicial warrants, anything less is null and void initio. These acts are actions under color of law, an attempt to deprive rights and immunities, denial of due process of law, extortion, and misprision of perjury of oath of office.

While I am more then willing to settle any legitimate claim(s), I would expect that alteration of forms or fabrications of information to justify an attempt to collect a non existing debt or an allege debt, would be considered an act of fraud, treason, malfeasance, or at least incompetence from these officers. I do not understand your laws or claims. It is my wish for this continual denial of liberty and property to Cease and Desist.

You will forthwith return and transmit the specific written delegation of authority to "represent" that authorization to administrate the LARRY ANDREA HILL Estate has been warranted, together with a certified copy of your oath for the Office of Director, South Carolina Court Administration, accompanied by certified copies of your BAR BOND. Provide authority for these officers asking for unsubstantiated funds through the Postal System and why you believe it is not in violation of State, Federal and International laws. Anything you may have or think you may have, if not from this executor office, is void nunc pro tunc.

In addition provide a detailed list of all bonds, sureties, indemnification, insurance and Court Registry Investment System (CRIS) CUSP numbers, and full accounting relating in any way to your or any related actor's personal or professional involvement as referenced above through the unwarranted presentation of the arrogated paperwork intrusion upon the LARRY ANDREA HILL Estate; By Attorney/J. Scott Walls breach of swearing and breach of oath. Total trespass damages: 7.5 million U.S. dollars [CASE # 2008-CP-43-2752].
