Check out these two new Ultimate Outsiders with Ranger Michael -- it's Brad & Joshua from Central, SC! These fellows don't mess around. They visited ALL 47 SC State Parks in 44 days! That makes me tired! Awesome job guys! Can you beat Brad & Joshua's 44 day journey? Here's where you start: <https://southcarolinaparks.com/ultimate-outsider>

Melissa Bragg Sack Amazing! Lots of great memories made I am sure.

Angel Woodlee I beat it this past April, EIGHT DAYS!! I received my Ultimate Outsider certificate at Cheraw State Park. Four of the days were half day trips from home base. It was a blast! I hope to return to all the parks with a slower pace.

Peter Bendal Kear 47 parks in 44 days is not a goal to shoot for. While we did do a few parks over a weekend by camping in the cluster area (upstate) or simply drove by parks we visit and frequent one should take time and enjoy the park. If nothing else that means 3 parks visited were only for an hour or two. Granted there are some locations that is all you need but add in drive time and the cost of driving all over the state and one has to wonder how enjoyable it was versus spending a year and taking your time enjoying the journey and the destination.

Mary Guidone We were in the middle of our Ultimate Outsider journey when I got a job in California - we had three weeks before we moved and spent a week of it doing an epic 12 or 15 park camping trip. Made it just under the wire but my son got his last UO stamp two days before we moved!
