Dear Anna,

I am thrilled to congratulate you on your selection as a state honoree for the 2015 Prudential Spirit of Community Awards! It is always encouraging to hear about young people who are making a positive difference in the lives of others. By sharing your remarkable story of surviving a brain tumor to raise awareness and money for other children with cancer, you are helping to improve the quality of life for fellow South Carolinians and setting a wonderful example on the importance of community service. Keep up the great work! God bless.

My very best,
