Subject: BBC request for an interview

Dear Ms. Adams,

I'm a producer with the BBC, and we're doing an elections podcast with our main correspondent, Jon Sopel. I'm wondering if Gov. Haley would have time for a 10 minute interview this week about her position on this election given everything that's happened so far, and what her message would be to Republican leadership, particularly women in office and women Republican voters.

Would she have any time for an audio interview?

Thank you so much for your help and time! I appreciate it very much.

Sincerely,

Lynsea
