Sure, with pleasure! What about 10:30 your time – this would be 4:30P my time. Does that work? I could call anytime before, but I will be travelling in a train, what could probably cause some network issues...

Hear you soon, Simon

Dear Mr. Godfrey,
Dear Mrs. Adams,

Matt Moore recommended to contact you. My name is Simon Book, I am a reporter for Germany's biggest and most influential business weekly WirtschaftsWoche, currently working on a profile about the Governor of South Carolina, Nikki Haley. Therefore I will travel to the US by the end of October (from Oct. 24th to Oct. 29th) to research this story.

I would love to talk to Gov. Haley and attend one or two public events she's visiting in order to learn a bit more about her career, her political goals and her motivation. That's why I am reaching out to you. I would like to ask if it could be possible to meet Mrs. Haley for a very briefly chat (or someone else of her staff who would like to talk). If you like we could also do an interview in background, without any quotes.

I think this piece would be a very important one for our audience in Germany. Mrs. Haley is not very well-known here yet – but she will be in the future. I think she belongs to the most interesting Republican politicians of our times. That's why I would love to write about her.

Do you think you may could help me with my project? And do you maybe have some hints, leads and ideas who else would be good to talk to? That would be so great!

I am looking forward hearing from you.

All the best, kindest regards

Simon
