Subject: Golden Harvest Food Bank, Event Request

Good Morning Mrs. Veldran,

My name is Jennifer Pedigo and I am the Executive Assistant to Travis McNeal, Executive Director at Golden Harvest Food Bank. We received your contact information from Bill Hixon, a friend of Travis'.

Last week Travis met Governor Haley in North Augusta and was excited to support us in any way that she can. We are one of the four food banks in the South Carolina Food Bank Association and serve 30 counties, 11 of which are in South Carolina. In January we will have a Grand Opening for our new Anderson location. We currently distribute over 4 million pounds of food per year in the that area and with our new location we will increase that number.

We would like to ask Governor Haley to join us at our Grand Opening and help us raise awareness about hunger in South Carolina. We are asking for some available dates that Governor Haley would be able to join us in January. If we can confirm a date that she could join us, we will be reaching out to persons like Tim Scott, Jeff Duncan, and local leadership.

Governor Haley also expressed how she could help in other ways, Travis mentioned if the governor's office has any contact information on any larger business, we would appreciate anything that you could do to help us know who to contact.

Please feel free to contact me should you have any additional questions.

Thank you,

Jennifer Pedigo

feeding lives together
