David,

After looking over the photographs of the resources, we do not think these resources are eligible based on their architecture. If no other criterion apply, the SHPO concurs with these determinations.

I'll be looking for the screening form, survey cards, and tiffs.

Thanks,

Hello Joe—

Per the SHPO/DOT programmatic agreement I am requesting SHPO NRHP eligibility review of 5 resources in Lancaster County. SCDOT recommends that the five (5) resources (2332 and 2334 are same resource) depicted in the attached photos are not eligible for the NRHP. If SHPO concurs we will process this project with a Cultural Resource Screening Form and send that (along with TIFF photos and survey cards) to you.

Let me know what you think. Thanks—
