That would be great and thank you for the virtual introduction. It's nice to meet you Darryl!

Our Wisconsin home is in Menomonie – about 20 miles outside of Eau Claire. Your old boss might also be familiar with Colfax (*about the same distance from Eau Claire – but much smaller*), which is where I grew up.

I look forward to talking with you both soon,
~Erica

Thanks very much for your email. I enjoyed our conversation. I talked to Darryl this morning, and I'll pass this on to him now. We're planning a trip to Charleston over the next few weeks, and perhaps we can include a meeting. I look forward to it, and thanks again.

P. S. Please remind me of your hometown. I want to tell my old boss from Eau Claire

Hi Danny ~

It was so nice to meet you Monday night at the Lieutenant Governor Association Soiree. It was a beautiful night and Tom and I thoroughly enjoyed our conversation with you. To continue our discussion about how NASUAD may be of assistance to the South Carolina Office on Aging, I'd love to offer an opportunity to meet face-to-face. This may be the best way to really facilitate a conversation about the most pressing needs in South Carolina and explore how we can best be of service. I touched base with Martha Roherty, Executive Director for NASUAD and found that she has recently been in contact with Darrel. Together they're looking for a way to continue their conversation and simply haven't had a chance to meet in-person yet. In light of this, we'd love to extend an offer to come to South Carolina to facilitate a conversation or invite you, Darrel and others from the Office on Aging to the NASUAD office in DC to do the same.

Thank you again for your offer to help us connect. We are truly looking forward to building this relationship as we explore how our expertise and resources can best add value to your states programming.

Sincerely,

~Erica
