Dear LTC partners,

I hope this email finds you anticipating a lovely Thanksgiving weekend!

In advance of the holiday, I just wanted to send a quick reminder that we will be meeting with Joel Smith on **Wednesday, December 4th from 1:00 to 3:00 p.m. at IMPH** to discuss our plans for the LTC taskforce. Please let us know if you will be able to attend (if you haven't done so already), or if your schedule has changed since we were last in touch.

Many thanks to each of you for participating in our survey to begin prioritizing issues facing the long-term care system. In preparation for our upcoming meeting, I am attaching the survey results; we will discuss the results and their implications for the taskforce scope and process on December 4th.

Also, I'd like to share links to a couple of resource materials:

- During the last meeting in September, the Long-Term Services and Supports Scorecard was discussed. For your reference, here is a link to the South Carolina Scorecard:

- You might also be interested in reading recommendations that were put forth in September 2013 by the Commission on Long-Term Care. Here is the link:

Finally, since this is my first email out to the group, I'd like to take this opportunity to say how pleased I am to be a part of this effort to improve the LTC system in our state. I am very much looking forward to working with you all to create a productive taskforce. Thank you for the leadership, energy and expertise you are bringing to our work.

Please be in touch if you need anything or have questions.

Happy Thanksgiving!

Eleanor
