Part 1: 7:30pm – 8:00pm ET

“I AM WOMAN! WATCH ME VOTE REPUBLICAN!”

With the RNC Presidential Convention less than two weeks away, it is an honor to invite RNC Co-Chairman Sharon Day to address plans for the event and to talk about the women's role in electing the next President of the USA!

FEATURED SPEAKER RNC CO-CHAIRMAN SHARON DAY has served the Republican Party at local, state and national levels for over 20 years. Ms. Day was elected Co-Chairman of the Republican National Committee in 2011 and 2013. She has built businesses in the insurance and marketing industry, creating jobs for hundreds of individuals and families. She has used that private sector success in the political arena working for candidates, committees and groups that believe in the power of small business and the free market system. Sharon played an important role during the Florida election recount of 2000. She was then appointed to the Committee for Election Reform by Governor Jeb Bush. Sharon was on the site selection committee for the 2008 RNC Convention and was Chairman of the Convention's Special Events. Sharon serves as a Commissioner on the Florida Commission on the Status of Women. She spreads the Republican message of less taxes, less spending and more freedom. Sharon looks forward to continuing GOP success through the use of the latest technology.

Part 2: 8:00pm – 8:30pm ET

“DRAWING BATTLE LINES IN THE WAR AGAINST THE HEROIN EPIDEMIC”

Drug overdose has become the greatest cause of accidental death in much of the nation. Learn more about the growing prescription drug epidemic that has no boundaries and that currently affects almost every community!

FEATURED SPEAKER REPRESENTATIVE ROBERT COLE SPRAGUE of the 83rd Ohio House District has helped balance an \$8B budget deficit, cut nearly \$5B in personal income taxes, and sponsored an amendment that eliminated the Ohio Death tax. Rep. Sprague is pro-life, and a co-sponsor on the heartbeat bill. He is a defender of Second Amendment rights, with an A- rating from the NRA. Prior to public service, Robert was in the private sector at Ernst & Young, advising foreign and domestic companies on a number of complex business matters. He graduated from Duke University with a BSE in mechanical engineering and from the University of North Carolina with his MBA. On June 13, Rep. Sprague's House Bill 249, “The Good Samaritan Law”, was signed into law. It includes the provision of criminal immunity to a person who seeks medical assistance for an individual experiencing a drug overdose.
