Message from Heyward Barfield, a constituent from Scranton (Florence County):

Thank you for your bold comments concerning the ethics reform being held up by Senator Leatherman Sr. and also for revealing to the average citizen about the state borrowing the \$500 million for pet projects. Concerning Senator Leatherman, if it walks like a duck and sounds like a duck then it must be a duck. I know there are some who will criticize you for your bold stand but I and many South Carolinians are proud of you. Keep up the good work.
