Good Morning Heather,

We were happy to help get this sorted out. I know we briefly discussed the Lieutenant Governor making a visit once you are up in running. I am copying our chief of Staff, Danny Varat, he would like to further discuss arranging that. Thank you.

Please let me know if we can be of further assistance.

Heather, attached is the fully executed sublease between the Office on Aging and Salvation Army. I've copied the folks at DEW and Aging as they should be able to help with your questions below. Thanks, Ashlie

Hey there Ashlie,  
Happy Monday!

Just checking in on our process - we are so excited about everything coming together!  
For our planning timeline, if all is well, when would we be able to have access to the building to begin cleaning and setup?  
Is there anything else needed on our end for y'all's process?  
Again - I SO appreciate all of your effort and energy poured in to making this work!

Thanks,  
grace,  
Heather
