Hi all –

I know you all are having a very busy week, but could someone please acknowledge receipt of this request or tell me another person to send this to? The receptionist at the governor's office said Symmes was the point person for open records requests, but I have not gotten a response from him.

Thanks
Tracey

Hi Brian,
Please find the attached open records request. I called the governor's office switchboard, and the receptionist said you were the contact for open records requests. Please respond to this email to let me know you have received this and just let me know if I need to forward this to another person.

Thanks for your time
Tracey
