Governor Nikki Haley
1100 Gervais Street
Columbia, SC 29201

Dear Governor Haley,

We are planning a surprise birthday party for Joseph L. Elmore; he will be 72 years old on February 6, 2015.

He served our country in the United States Air Force from 1962 to 1966, when his enlistment was completed. After returning to the regular world and civilian life, he was employed by New York City Police Department which he retired in 1998. During this time he also worked for the United States Postal Service.

In between those jobs mentioned above, he worked temporarily for the New York City Transit and enlisted in the Air Force Reserves. We think this is quite an effort to do better and make good of life.

Governor Haley, we thank you for what you are doing for the State of South Carolina, and hope progressively you can move the state toward the future.

Mr. Elmore retired and returned to this state where he was born. He was raised in Bamberg County, in the Town of Denmark, South Carolina. All we are trying to do is get him a little respect for the type of person he really is.

We are hoping with your help, Governor Haley, a letter or certificate of appreciation would honestly make this affair for him a great occasion.

We are thanking you in advance for your understanding and help in this matter.

Sincerely,

Alberta Gibson
