Dear Governor Haley:

My name is Colby and I'm in the fifth grade at Groveland Elementary. We are having a United States Share Fair where all 50 states will be represented. I am doing a state report on South Carolina and it would be helpful if you could send me some information that I could use for my state project. I would appreciate it if I could receive this information soon in time for the share fair in February.

Thank you very much for your time and effort.

Sincerely,

  
Colby Berry.
