**Cody Taylor** Just know that as a former employee of the park service cheraw state park allows drinking alcohol on the golf course and in the day area. If you feel safe around alcoholics that drive around you and your children feel free to visit the parks that sell alcohol like cheraw. I've worked several weekends as maintenance and I've seen people getting drunk out there definitely on Saturday and Sunday afternoon. Please be careful in cheraw in the afternoons or evening of those days because the park service condones revenue and alcohol consumption over children's safety. They sell beer at the pro shop on the cheraw golf course and let people drink in the day area and litter the place up. If I can get fired for defending an animal getting beaten to death with a bat for commenting on Facebook I'm going to use all of my free time now to make absolutely sure no drunk driver leaves the parks I promise you all that.
