We were the first to put the law online. And we've been working to make legal research better, faster and easier for you ever since. With the latest round of Lexis Advance® enhancements we continue to make good on that promise.

Here are two new ways to simplify collaboration.

1. Easily share permanent, direct links to your research with other Lexis Advance users.
2. Know Folder sharing information up front and if recipients have accepted your sharing invitation.

Plus, Lexis Advance gives you more filter options, easier access to the CourtLink® service and added sources—including historical Congressional research materials. And with our new Live Support feature expert help is just a click away.
