Dear Delegation Members,

Enclosed you will find a letter of resignation from Commissioner William M. Norris, Jr. Mr. Norris has faithfully served as a commissioner for the District since July 15, 1988 and has always done an outstanding job for the Board. That date represents almost 27 years of service to the Pelham-Batesville community. In that time period the Board has met some 275 times and Mr. Norris has attended all of those meetings with the exception of less than 10 meetings that were missed. In short, Mr. Norris has done an exceptional job for the District and this community.

Also, the Board would like to make a recommendation for Mr. Norris' replacement. For the last 20 years the District staff has worked very closely with Mr. Greg Jackman, who is employed by BMW Manufacturing Co. Mr. Jackman is a resident of the District and has extensive knowledge in many areas of our work. We hope that you agree that he would make an excellent choice as a new member of the Board. Mr. Jackman's application is also enclosed.

We sincerely appreciate your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Davis M. Holder".

To: Dave Holder, Chairman Pelham Batesville Fire Commission

Dear Chairman Holder,

After a great deal of thought and much soul searching, I have decided to resign my position as Commissioner for Pelham Batesville Fire Department. While I have enjoyed my time of service to our community, I believe it is time for me to rotate off the Commission. I wish the best for the department in the future and will continue to support the fire department in all their works.

My resignation is effective upon the selection and approval of a new commissioner to take over my seat.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bill Norris Jr.", written in dark ink.
