Danny

This is a draft for the foreword to the State Respite plan. The Director usually does a "Technical " intro and the LG makes it more personal. Catherine also did a draft. We are running close on this. We must go to print by Monday afternoon but I wanted you and Kevin to edit as you wish. Any personal touch is good. Let me know when you can talk.

Thanks

It's a clean copy but I have a copy with changes tracked if you want that one. If you see anything egregious please let me know! Thanks.
