Dear Governor Haley,

My son, Mackintyre Gares Garber, achieved the rank of Eagle Scout on April 15, 2015. He is a member of Troop 313 is Bel Air, MD chartered to Christ our King Presbyterian Church. We would appreciate it if you could send a letter or certificate recognizing his achievement. For his Eagle Project, Mackintyre sent 516 pocket size folded American flags, hand drawn thank you cards, as well as a note of encouragement and piece of bubble gum to our troops over in Kabul, Afghanistan.

At the time he was working on the project with Maj. Gen. Harold J. Greene who then was K.I.A. on August 5, 2014. Mackintyre then added a note to his package and dedicated his project to the memory of Gen. Greene.

Mackintyre is a junior at C. Milton Wright High School in Bel Air, MD.

If you are able to oblige the request of a certificate please send to the above address.

Thank you for your time and consideration.
