All events of the 16th were in official capacity

The 17th began with a radio appearance during which he did discuss his campaign. I was at the station, but not in the studio for that portion, and it occurred before 8:30

LG then had a meeting about his campaign. I rode in the truck to the meeting and shook hands with the participants, and then went back to the vehicle with SLED.

LG left the meeting at 9:40, and the rest of the day was in official capacity
