Dear Nikki,

Fast Internet Access shouldn't be an option only for agencies in densely populated areas.

[HughesNet® Gen4](#) offers affordable Internet Access service plans and a range of high speeds – up to 15 Mbps* – **for every location in the lower 48 states of the U.S.**

That means, with HughesNet Gen4, even your remote field offices can benefit from:

- Performance-enhancing innovation for **high speed downloading, browsing and data usage management**
- **Secure, reliable connectivity** – for one or multiple locations
- **Enterprise-grade support** – 24/7 technical assistance
- **GSA Schedule 70 #GS-35F-0907P**

Ready to connect all your agency's locations with fast, secure, affordable web access?

Call 1-844-817-5287 to speak to a representative. Or, [click here](#) to have one of our reps call you.

The Election is days away! Curious where the candidates stand on broadband?

*Available speeds dependent upon service plan and location.
