Hi, Christian!

Per our conversation, I am sending along the RFP for policy grant we are applying for from the Annie E. Casey Foundation (Kids Count). They were later in sending it out than originally planned but they extended the deadline for submission 'til next week. We should have a good draft together by the end of this week and I will forward that when close to final. A letter of support would be good to add but will let you read the grant before writing the letter.

Please call if you have any questions.

Sue
