Subject: RE: Jenny Horne

I spoke to Rep. Horne about the Dorchester County Coroner. She was getting lots of questions from constituents and wanted information about the general processes of suspension, removal, and appointment for a county coroner. She understands that this is a long process and was appreciative of our time and help.

Rep. Horne left me a vm asking whether we can replace the Dorchester County Coroner since his arrest last week. Please see the news reports for background and can one of you call her back. Her number is 843-412-8420. Thanks!
