Subject: Commerce Letter

Hi Katherine,

We received a phone call from Commerce and need to make one quick change to our original letter. The number of jobs expected with the new economic development project is now 2,500 instead of 2,000. This will be the only minor change we make, but wanted to make sure the Governor's office was aware. Patrick hand-delivered two original copies to James Burns this morning and I can run an updated copy over to you if necessary. Just let me know.

Thanks and Happy Easter!
