When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

When there was no attending physician or midwife, then the father, householder, etc., should make every effort if a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.
