Hi,  
I think the Peelers, the Spurriers, Roger and guest, Gov, Haley and Pete & Marilyn will be fine. I don't think you would have to work it around a football game. Spurrier probably wouldn't be able to commit a lot of time on a football weekend and I know the Peelers are Clemson fans so they wouldn't necessarily be in Columbia anyway. With Pete's schedule they will probably be in and out so any day though the week will be ok. Hope that helps.  
Bryn

Bryn,  
It was a pleasure speaking with you yesterday. I look forward to working with you.  
Who are your suggestions to invite/attend an evening with Governor Haley (i.e. Mr. & Mrs. Peeler, Mr. & Mrs. Spurrier)  
If this is scheduled on Friday do you think any of the guests would like to attend a collegiate football game the following day?  
I am working on potential dates.  
Thank you,  
Katherine
