It is the same document.

I was complying with Swati's request to send the Hidden Earmark EO separately to the group.

Brian - can you make sure these are up on the website in a way we can move the links around by 10 am. Not sure we will be ready to rollout at that point but want to go ahead and get them online.

Today, the Governor signed Executive Orders 2016-15 and 2016-16, ordering the Cabinet to conduct an internal audit and to comply with the hidden earmark transparency directive.

It is my understanding that these orders are embargoed until tomorrow when we can get backgrounders and notification calls completed.
