**STOP CORPORATE CONFLICT OF INTEREST IN OUR SCHOOLS!
FIRE JONATHAN SANDERS/STEKETEE! DUMP VEOLIA/TRANSDEV!**

The new Transportation Director for Boston Public Schools (BPS) was formerly a top executive with Veolia Transportation -- the private contractor for the BPS buses!

Not only that: Fully aware of the appearance of favoritism, Jonathan Steketee the Transportation Director actually changed his name from Jonathan Sanders -- his name as Veolia Assistant General Manager!

I further call on the Mayor to dump Veolia/Transdev for breach of contract and to use his authority to reach a just settlement with the bus drivers.

Sincerely,

Dr. F Taylor
