Hi Christian -

I know you're swamped right now with the budget and hackers, but I saw the Gov recently and asked her if there are other Dept that she thought might be in need of financial/budgeting restructuring services from Alvarez & Marsal similar to what they did for HHS. She mentioned a couple departments and suggested that I get with you to discuss them. Again, I know you're busy now, but please reply or call me if/when you have a minute to discuss. If the need is there, it would be great to build this into the budget for the department(s).

We are happy to come to Columbia to meet in person too.

Thanks!

Lee
