RE: The Constituency Report for Alabama District (Artificial Intelligence-driven)

Hello, Governor Kay Ivey.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Alabama District , here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Alabama State House District 1 (Artificial Intelligence-driven)

Hello, State House Representative Phillip Pettus.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Alabama State House District 64 (Artificial Intelligence-driven)

Hello, State House Representative Harry Shiver.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Alabama State House District 64, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Hello, State Senator John Coghill.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Alaska State Senate District M (Artificial Intelligence-driven)

Hello, State Senator Kevin Meyer.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Alaska State Senate District M, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Arizona State Senate District 1 (Artificial Intelligence-driven)

Hello, State Senator Karen Fann.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Arizona State Senate District 1, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Hello, State Senator Jeremy Hutchinson.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Arkansas State Senate District 33, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Arkansas State House District 49 (Artificial Intelligence-driven)

Hello, State House Representative Steve Hollowell.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Arkansas State House District 49, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for Arkansas State House District 71 (Artificial Intelligence-driven)

Hello, State House Representative Ken Henderson.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for California Assembly District 40 (Artificial Intelligence-driven)

Hello, State House Representative Marc Steinorth.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for California Assembly District 40, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for California Assembly District 19 (Artificial Intelligence-driven)

Hello, State House Representative Philip Ting.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

Hello, State Senator Kent Lambert.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Colorado State House District 37 (Artificial Intelligence-driven)

Hello, State House Representative Cole Wist.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for State House District 61 (Artificial Intelligence-driven)

Hello, State House Representative Tami Zawistowski.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on

election day.

RE: The Constituency Report for State House District 91 (Artificial Intelligence-driven)

Hello, State House Representative Michael D'Agostino.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for State House District 91, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for State House District 125 (Artificial Intelligence-driven)

Hello, State House Representative Thomas O'Dea.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Florida State Senate District 2 (Artificial Intelligence-driven)

Hello, State Senator George Gainer.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Florida State Senate District 2,

here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Director; Sentireport LLC (an official IBM® Start-Up!™)

RE: The Constituency Report for Florida State House District 55 (Artificial Intelligence-driven)

Hello, State House Representative Cary Pigman.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

RE: The Constituency Report for Florida State House District 47 (Artificial Intelligence-driven)

Hello, State House Representative Mike Miller.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Florida State House District 47, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Director; Sentireport LLC (an official IBM® Start-Up! [™])

RE: The Constituency Report for Florida State Senate District 28 (Artificial Intelligence-driven)

Hello, State Senator Kathleen Passidomo.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Florida State Senate District 28, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Hello, State House Representative Johnnie Caldwell.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Georgia State House District 14 (Artificial Intelligence-driven)

Hello, State House Representative Christian Coomer.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Georgia State House District 14, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hello, State House Representative Michael Glanton.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Georgia State House District 121 (Artificial Intelligence-driven)

Hello, State House Representative Barry Fleming.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Georgia State House District 121, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Hello, State House Representative Dominic LaRicca.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on

the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Hawaii State House District 33 (Artificial Intelligence-driven)

Hello, State House Representative Samuel Kong.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Hawaii State House District 33,

here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hello, State House Representative Lauren Matsumoto.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

RE: The Constituency Report for Idaho State Senate District 8 (Artificial Intelligence-driven)

Hello, State Senator Steven Thayn.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Idaho State Senate District 8, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Director; Sentireport LLC (an official IBM® Start-Up! [™])

RE: The Constituency Report for Idaho State House District 34 (Artificial Intelligence-driven)

Hello, State House Representative Ronald Nate.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Illinois State Senate District 13 (Artificial Intelligence-driven)

Hello, State Senator Kwame Raoul.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;

- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

RE: The Constituency Report for Illinois State House District 77 (Artificial Intelligence-driven)

Hello, State House Representative Kathleen Willis.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on

the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Illinois State House District 77, here:

RE: The Constituency Report for Indiana State House District 41 (Artificial Intelligence-driven)

Hello, State House Representative Tim Brown.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Indiana State House District 41, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for Iowa District (Artificial Intelligence-driven)

Hello, State Attorney General Thomas Miller.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Iowa District , here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Iowa State Senate District 29 (Artificial Intelligence-driven)

Hello, State Senator Tod Bowman.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Iowa State Senate District 29, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Kansas State House District 19 (Artificial Intelligence-driven)

Hello, State House Representative Stephanie Clayton.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Kansas State House District 19, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio
