RE: The Constituency Report for Kansas State Senate District 20 (Artificial Intelligence-driven)

Hello, State Senator Vicki Schmidt.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Kansas State Senate District 20, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Kansas State Senate District 15 (Artificial Intelligence-driven)

Hello, State Senator Dan Goddard.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report TM Dashboard for Kansas State Senate District 15, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for Virginia District (Artificial Intelligence-driven)

Hello, Governor Ralph Northam.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Kentucky State House District 56 (Artificial Intelligence-driven)

Hello, State House Representative James Kay.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Kentucky State House District 56, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for Louisiana State House District 15 (Artificial Intelligence-driven)

Hello, State House Representative Frank Hoffmann.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Louisiana State House District 15, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Louisiana State House District 31 (Artificial Intelligence-driven)

Hello, State House Representative Nancy Landry.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Louisiana State Senate District 10 (Artificial Intelligence-driven)

Hello, State Senator Daniel Martiny.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Louisiana State House District 35 (Artificial Intelligence-driven)

Hello, State House Representative Stephen Dwight.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

Hello, State House Representative Robert Alley.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for Maine State House District 90 (Artificial Intelligence-driven)

Hello, State House Representative Michael Devin.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Maine State House District 90, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Maine State House District 28 (Artificial Intelligence-driven)

Hello, State House Representative Heather Sirocki.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

RE: The Constituency Report for Maryland District (Artificial Intelligence-driven)

Hello, State Attorney General Brian Frosh.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

RE: The Constituency Report for Michigan State House District 3 (Artificial Intelligence-driven)

Hello, State House Representative Wendell Byrd.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Michigan State House District 3, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Hello, State House Representative Jason Wentworth.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Michigan State House District 97, here:

RE: The Constituency Report for Minnesota State Senate District 18 (Artificial Intelligence-driven)

Hello, State Senator Scott Newman.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your

- messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report TM Dashboard for Minnesota State Senate District 18, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hello, State Senator Charles Wiger.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for Minnesota State Senate District 43, here:

RE: The Constituency Report for Minnesota State Senate District 62 (Artificial Intelligence-driven)

Hello, State Senator Jeff Hayden.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report TM Dashboard for Minnesota State Senate District 62, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for Mississippi State House District 13 (Artificial Intelligence-driven)

Hello, State House Representative Steve Massengill.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

Hello, State Senator Videt Carmichael.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

RE: The Constituency Report for Mississippi State House District 72 (Artificial Intelligence-driven)

Hello, State House Representative Debra Gibbs.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Mississippi State House District 72, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for Mississippi State Senate District 48 (Artificial Intelligence-driven)

Hello, State Senator Deborah Dawkins.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for Missouri State House District 5 (Artificial Intelligence-driven)

Hello, State House Representative Lindell Shumake.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

RE: The Constituency Report for Missouri State House District 96 (Artificial Intelligence-driven)

Hello, State House Representative David Gregory.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Missouri State House District 96, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hello, Governor Dennis Daugaard.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for South Dakota District , here:

RE: The Constituency Report for South Dakota State House District 18 (Artificial Intelligence-driven)

Hello, State House Representative Jean Hunhoff.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for South Dakota State House District 18, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Director; Sentireport LLC (an official IBM® Start-Up! [™])

RE: The Constituency Report for Nebraska State Senate District 36 (Artificial Intelligence-driven)

Hello, State Senator Matt Williams.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

RE: The Constituency Report for New Hampshire State House District Hillsborough County No. 44
(Floteria) (Artificial Intelligence-driven)

Hello, State House Representative Mark Proulx.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on

election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for New Hampshire State House District Merrimack County No. 20
(Artificial Intelligence-driven)

Hello, State House Representative David Doherty.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on

election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for New Hampshire State House District Merrimack County No. 20, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hello, State House Representative Cleopatra Tucker.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for New Jersey General Assembly District 28, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for New Jersey General Assembly District 17 (Artificial Intelligence-driven)

Hello, State House Representative Joseph Egan.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for New Jersey General Assembly

District 17, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for New Mexico State House District 27 (Artificial Intelligence-driven)

Hello, State House Representative Lorenzo Larranaga.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for New Mexico State House District 27, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Hello, Lt Governor Kathy Hochul.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on

the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for New York District , here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for New York State Senate District 42 (Artificial Intelligence-driven)

Hello, State Senator John Bonacic.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

RE: The Constituency Report for New York State Senate District 58 (Artificial Intelligence-driven)

Hello, State Senator Thomas O'Mara.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;

- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

Hello, State Senator Jay Chaudhuri.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

RE: The Constituency Report for North Carolina State Senate District 21 (Artificial Intelligence-driven)

Hello, State Senator Ben Clark.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report TM was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report TM Dashboard for North Carolina State Senate District 21, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for North Carolina State Senate District 43 (Artificial Intelligence-driven)

Hello, State Senator Kathy Harrington.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's

information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for North Carolina State Senate District 43, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for North Dakota State Senate District 6 (Artificial Intelligence-driven)

Hello, State Senator Shawn Veda.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your

- messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM[®] Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for North Dakota State Senate District 6, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for North Dakota State House District 24 (Artificial Intelligence-driven)

Hello, State House Representative Dwight Kiefert.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report™ Dashboard for North Dakota State House District 24, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Ohio State House District 46 (Artificial Intelligence-driven)

Hello, State House Representative Michael Sheehy.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Ohio State House District 46, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for Oklahoma State Senate District 1 (Artificial Intelligence-driven)

Hello, State Senator Micheal Bergstrom.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;

- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report TM serves you.

In partnership with IBM® WatsonTM Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report TM Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report TM Dashboard for Oklahoma State Senate District 1, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for Oregon State Senate District 4 (Artificial Intelligence-driven)

Hello, State Senator Floyd Prozanski.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Oregon State Senate District 4, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

RE: The Constituency Report for Oregon State House District 31 (Artificial Intelligence-driven)

Hello, State House Representative Brad Witt.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Oregon State House District 31, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for Pennsylvania State House District 24 (Artificial Intelligence-driven)

Hello, State House Representative Ed Gainey.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Pennsylvania State House District 24, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for Pennsylvania State House District 141 (Artificial Intelligence-driven)

Hello, State House Representative Tina Davis.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for Pennsylvania State House District 141, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

RE: The Constituency Report for State Senate District 30 (Artificial Intelligence-driven)

Hello, State Senator Jeanine Calkin.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for State Senate District 30, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

Hayden Baillio

Director; Sentireport LLC (an official IBM® Start-Up! [™])

RE: The Constituency Report for State Senate District 22 (Artificial Intelligence-driven)

Hello, State Senator Stephen Archambault.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report™ was designed to support you and your team:

- Quickly identify the sentiment** around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment** - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report™ serves you.

In partnership with IBM® Watson™ Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report™ Dashboard:

<http://start.Sentireport.com/demo>

And/or gain access to The Constituency Report [™] Dashboard for State Senate District 22, here:

<http://start.Sentireport.com/register>

Good luck in November!

And please feel free to reply / contact me directly with any questions.

Thank you for your time and review,

RE: The Constituency Report for State House District 72 (Artificial Intelligence-driven)

Hello, State House Representative Kenneth Mendonca.

'Knowledge is Power.'

This famous quote from Sir Francis Bacon dates back to 1597, and never more true than in today's information age.

Millions of politically revealing tweets are posted every hour!

Lucky for you, The Constituency Report [™] was designed to support you and your team:

- Quickly identify the sentiment ^{**} around NEWS in your district;
- Understand SOCIAL MEDIA sentiment around politically charged issues;
- Identify and connect with TOP POLITICAL INFLUENCERS on social media to boost your messaging;
- Access daily, weekly, and monthly trends for EMPLOYMENT, HOUSING & CRIME.

sentiment ^{**} - a quantified measure of attitude toward a situation, event, or entity.

Yard signs serve a purpose... The Constituency Report [™] serves you.

In partnership with IBM® Watson[™] Artificial Intelligence, we are granting access (no charge, for incumbents like yourself) to our powerful dashboard -- updated daily -- so you can really capitalize on the next 2 months ...and be sure to win-over that 5%, 10%, or 15% that you need to show-up on election day.

Check out this quick video demo of The Constituency Report [™] Dashboard:
