Colby,

Thanks for the note. Chaney Adams, who is copied on this email, can get you a run down of public events the governor has the rest of the week. Those events the governor does with Senator Rubio would be the best place for you to get footage of her talking about why she got involved in the primary. While there may not be media avails at everyone of those events, the governor always talks about why she decided to endorse Senator Rubio.

As always, let us know what else you need.

Rob,

This is Colby Gallagher with News19. I am looking to get an interview with Governor Haley regarding her planned endorsement of Marco Rubio. I know it is not official, but wanted to put in the request. If she's not available before the event in Chapin, could we please have a statement regarding this decision?

Thanks,
