**Subject:** Hi - CNN Interview with Gov. Haley on Friday or Saturday?

---

Dear Rob and Chaney,

I'm a producer for CNN anchor Michael Smerconish, host of CNN's Saturday morning political show, SMERCONISH.

Would Gov. Haley be able to join us to discuss national security and the Syrian refugees?

We could either tape tomorrow at 3:30p ET or do a live interview on Saturday at 9:15am.

Would either of those work?

Corinna
