Hi Holly,

Thanks for the questions. My answers follow:

- She is happy to do a photo shoot with donors. Let us know of potential opportunities.
- Nicole said she has not heard back from you on a photo op with Physician's Care, but she is still willing to do one with them. Please let us know when this can be done.

*The easiest approach will be to secure dates/times when the Governor is available. We can contact donors and coordinate photo sessions at the Statehouse or area of damage/rebuild.*

- And, she would like to visit a site where homes are being rebuilt/repaired with One SC funds. Is that possible anytime soon?

*I believe that there will be some 'housewarming' opportunities beginning on February 15<sup>th</sup>. We will also contact our Round One grantees and our Round Two 'house in the box' grant recipients*

*to secure dates that furnishings and families will be moved into their homes. (Dana, would you help with this project? Thank you!)*

Cheers!
