---

Greetings Honorable Lt. Governor Bryant;

I am the person who took you for a ride on my Spyder Can-Am 3-wheel motorcycle in Rock Hill a few weeks ago at the Hospice Center.

I live just a mile from the Hospice Center and would like to invite you and your wife to our Open House. We do this about every 3-4 years as a thank you to our friends and acquaintances who have made a difference in our lives as well as serving our communities.

South Carolina Rep. Raye Felder and U.S. Congressman Ralph Norman plan to attend.

We hope to see you.

Harvey & Lin Mayhill

**You are invited – Saturday December 9<sup>th</sup>  
4:00 PM – 9:00 PM**

As Christmas approaches, people are bustling about in search of gifts for family, friends, neighbors and co-workers. They also are in search for just the right card to send their Holiday & Christmas Greetings. A box of cards at the Dollar Store, compared to a box of designer cards from a fashionable store or website, is still going to provide the same message, "MERRY CHRISTMAS".

By the time these cards are purchased, selected for the 'just right' message for your recipient, addressing them and supplying postage (sometimes sending the card to a nearby neighbor), an enormous amount of time and expense has elapsed.

We have elected to put that same time and expense into a Christmas Open House for our family, friends, and neighbors.

This is our way of saying Thank You for supporting us in our various activities. It also provides us with an opportunity to personally say Happy Holidays and especially Merry CHRISTmas.

There will be plenty of festive foods, music and fellowship. Come any time after 4:00 PM, enjoy visiting with old friends and meeting new ones.

**PLEASE R.S.V.P.**
