Greg,

After talking to DMV we believe you are correct in your analyses of the revenue impact of this bill to the General Fund. However, we would change the words from "\$4,000 loss to GF" to "\$4,000 reduction". This of course is the amount that would be returned to NWTF when the appropriate number of tags are sold.

Background info:

Received info. from NWTF that \$4,000 check for Special Tag deposit "cleared" Feb. 25, 2000. Please advise if this supports my last e-mail assessment as follows:

a) \$4,000 loss to GF in FY '02 from deposit (refund of FY '00 GFRev)

b) total proceeds to NWTF of \$32,000

based on 400 tags @ \$70 = \$28,000 + refund of \$4,000 deposit
