Thank you!

Can you add meganstoddard@gov.sc.gov to all of the clips distro lists please?

Quote from Governor Nikki Haley, "As I said when North Carolina passed its law, I don't think we need that type of law here. But we also don't need President Obama imposing a one-size-fits-all policy from Washington. We have always been proud of the fact that we handle issues such as this one in our school districts, and I trust South Carolinians to decide this issue, community by community, at the school district level."
